Pin-Up Girl Contest

Contest Rules

Welcome to Freedom Fest's first annual Pin-up Girl contest! We look forward to promoting and running a fun and enjoyable pinup contest that brings back beautiful ladies and spectators every year to come!

Our objective is to find a pinup that exemplifies what it means to be a great pinup in today's modern world. We are looking for a pinup darling who can carry herself in a crowd but who shines above the rest, someone who is positive, professional, kind and compassionate. This is not a contest based solely on popularity or cosmetic appeal, but on that includes inner beauty as well.

This is a contest to showcase the classic glamour of the 1940's, 50's and 60's. We've all see the World War II nose art Memphis Belle and Aluminum Overcast. We've all seen the black and white glossies of Betty Grable and Marilyn Monroe. Let's bring the beauty and glamour back!!!!

Ladies, this is your chance to show us what you've got! No song & dance required, just good ol' fashion glamour, sophistication and class. This is homage to the simple beauty of "eras past". So, set your Victory Rolls and find that perfect shade of red lipstick. Smooth down the black pencil skirt or fluff up that crinoline because the stage is waiting. Don't forget to bring your sweet and bright personality with you!

We are going to class up the place with some beautiful, classy women. Come join us and most of all, HAVE FUN!! *Registration will be limited to 15 ladies, so please register early.*

Please take a moment and read the rules of the contest.
